**SUBJECT: "PPPAMS User's Guide"**

The Department of Plant Protection Products would like to inform all interest parties about the **User's Guide** of the [PPPAMS's platform](#). All Member States have to submit electronically the applications for emergency authorizations (authorizations according to Art. 53, Reg. (EU) 1107/2009), since 2016.

1) In order to use the PPPAMS platform, you must first sign in. The instructions for signing in are displayed in the '.pdf' file named '**pesticides\_ppp\_setup-guide\_ppp-users.pdf**', which is available on the following website:

[https://ec.europa.eu/food/sites/food/files/plant/docs/pesticides\\_ppp\\_setup-guide\\_ppp-users.pdf](https://ec.europa.eu/food/sites/food/files/plant/docs/pesticides_ppp_setup-guide_ppp-users.pdf)

2) After successful signing in, the applicant can use the platform. We strongly advise new users, to practice, before submitting a new application. You can log in to the following website, which is a training environment website:

<https://webgate.training.ec.europa.eu/pppams>

The applicant can also find all helpful information on how to use the platform in the link below:

[https://ec.europa.eu/food/plant/pesticides/authorisation\\_of\\_ppp/pppams/access\\_training\\_en](https://ec.europa.eu/food/plant/pesticides/authorisation_of_ppp/pppams/access_training_en)

3) You can find all detailed information and instructions on the electronic submission of the applications in the following link:

[https://ec.europa.eu/food/plant/pesticides/authorisation\\_of\\_ppp/application\\_procedure\\_en](https://ec.europa.eu/food/plant/pesticides/authorisation_of_ppp/application_procedure_en)

Currently, zonal applications for an authorization of a plant protection product, in the frame of art. 33 of the Reg.(EU) 1107/2009, are also submitted through the PPPAMS platform.

The above information will be uploaded on the Ministry's website:
